Missionaries to Guatemala

September 2019

IT'S TIME! After 12 months of crisscrossing Ohio dozens of times, sharing in hundreds of services, and meeting old and new friends, we are about to wrap up our itineration and return to Central America. It is always hard to say goodbye, we know God's purpose for us while we have been home is ending but His calling for Guatemala is about to begin.

God has a plan for us in Guatemala! We have much work to do in Guatemala and are believing for the greatest harvest and fruit of our labor than we have ever had!

As Missionaries, we desire to **empower the peoples of the nation** we serve to do ministry, to train and raise up leaders, to multiply ourselves, and to work alongside the national church. We are called to encourage believers as they discover their purpose and divine destiny, as they dream big and to help them in their journey and see their dreams become real.

In partnership with the Guatemalan Assemblies of God church, our vision is to develop:

Living Free (Vida Libre)- discipleship strategy for the local church to help all with life-controlling problems

Teen Challenge- residential program for addictions

Establishing a team of trained biblical counselors to address the emotional needs and mental health issues in Guatemala

Wherever the Lord plants us, we share a message of hope, healing and freedom for people at risk

Redeeming, Equipping and Mobilizing

"So if the Son sets you free, you will be free indeed." John 8:36
