## His name is John Luke 1:63

We don't think much of John the Baptist during Christmas, but he had a huge part in **bringing the message** of our Lord and Savior to the lost and broken in Israel. John was called to prepare the way of the Lord, by preaching and **pointing others to Jesus**. Thus, many found the true meaning of Christmas.

While in Ohio we have been preparing the way for many in Guatemala to find the **true meaning of Christmas**. We have shared about **Pastor Walford** and how God raised him up to be the national director of Living Free Panama so that people like **Jose** can be set free from addiction and psychiatric medications.

There are more "Pastor Walford"s to be trained and raised up in **Guatemala** to help the hundreds of thousands of "Jose"s. Will you help us prepare the way by becoming a monthly partner or making a special year end gift? We want to get to Guatemala by next summer, **thanks for making this possible**.

**Why are we so extremely excited to celebrate Christmas this year?** Because we are here in Ohio with friends and family!

May you have a blessed and Merry Christmas,

*David & Marie Turner*
