

What does Project 22 mean for Guatemala?

- ◆ 22 Vida Libre (Living Free) resource & training centers across the 22 states of Guatemala
- ◆ 22 Mayan languages: prepare Vida Libre (Living Free) material for each language for the people of Guatemala
- ◆ Laying the foundation for a national ministry of reconciliation and restoration

Reaching hearts... Planting ministries... Training leaders... Serving the broken

“Then they cried to the LORD in their trouble, and he delivered them from their distress. He brought them out of darkness and the shadow of death, and burst their bonds apart.”
Psalms 107: 13-14

We are super excited about **Project 22!**

Marie and I will begin our next 4 year term in Guatemala at the end of summer 2019. Here are some **facts about Guatemala**:

- it is home to some of the poorest people in the world
- it is the 6th most dangerous country
- it has the highest malnutrition for children 5 years and younger
- there is a huge gang problem and many with addictions
- there are many suffering and broken with life controlling problems.
- Guatemala has 22 departments (states), we want to plant a Vida Libre (Living Free) resource center in each one
- 22 Mayan dialects spoken, along with Spanish

The Lord is good, we are around 90% of our monthly budget. For us to get to Guatemala **we need 22 new partners** who will give \$50 monthly and 22 that will give \$25. We also need to raise \$22,000 for our cash budget and **to launch a VL center** it will take around \$5000 each.

This may seem like a mountain of support.

In Genesis 22 Abraham experienced divine provision and he said, **“On the mount of the Lord it will be provided.”** Would you become part of the mount of the Lord? Become a Project 22 partner by making a monthly giving commitment or a one-time P22 donation.
