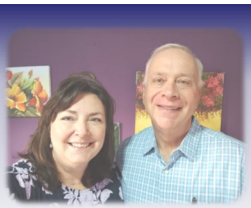
AGWM Missionaries to Guatemala

Winter 2023



"Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come. All this is from God, who through Christ reconciled us to himself and gave us the ministry of reconciliation" II Cor. 5:17-18

2023 - a Breath of Fresh Air

This year has been a year of developing ministries and laying groundwork for the future. Like a breath of fresh air after 3 years of dealing with Covid issues here in Guatemala.

Here is a snapshot of what 2023 has looked like:

- We started the year off by giving 4200 ministers a copy of our Holy Spirit manual, filled with **study material and sermons** to help them teach and preach about the power and presence of the Holy Spirit
- Pastor Phil returned to visit us (three countries now!) and brought Pastor Kirkley to **train children's workers**. Pastor Esther booked a full schedule of training and video recording sessions. Preparing leaders to share the message of salvation to every generation.
- We began a **Biblical Pastoral Counseling Course** with a group of pastors, preparing them to offer pastoral counseling services in their areas and communities.
- This year we started the **Spanish Living Free Academy online.** Two groups have completed and a third starting, with participants from 7 countries. We are believing the Lord will send participants from every Latin American nation.

Thank you for helping us produce and distribute the Holy Spirit manual

As we near the end of 2023, **amazing things continue**. The first week of November we hosted a team from Warren First AG to help extend the church building for Rios de Agua Viva, situated in a very poor and needy area. They also helped provide shoes and personal hygiene kits for 45 children that Pastor Vidal and his church reach.
Thanks to Warren First AG, Pastor Rich, Pastor Phil, and other donors, we were able to have two additional **Christmas Shoe outreaches**. This helped us to take on a new location and bless around 120 kids with new shoes for Christmas and personal hygiene kits.

Thank you Warren 1st for blessing Rios de Agua Viva

Solomon said **there is a time for everything**, that includes a missionary term. Our term was to end in October, but we will be extending it to May 2024. Pray that the Lord helps us finish what He would have us do before **returning to Ohio for itineration**. Also we would love to come share with your church, ministry, or group about our incredible term in Guatemala. Just call or send an email to schedule a visit with you and your church.
As each season closes a new one begins.
We are enjoying this season of ministry and preparing to transition into a season of stateside itineration.
