CELEBRATING NEW LIFE & FREEDOM

The doors of Casa Tabita opened for a young woman, Samantha. She was at the end of herself and **on the edge of hopelessness**. She was brought to Casa Tabita by her husband and young son; within just a few hours we began to see her change. That Sunday, she attended church for the first time. She was moved and poured out her pain and sorrow before the Lord. Afterwards, she said she felt different and new. Her decision to enter Casa Tabita has **transformed her life**. Casa Tabita has doors and arms open to share the message of hope, healing, and freedom. The women who enter receive love and care to meet their physical, emotional, and spiritual needs.

Pray for Samantha and her family as they walk into healing and freedom.
Pray for the ladies in Casa Tabita as they too are experiencing this new life.
Pray for the other women of Guatemala who need hope and new life through Christ.

This year we are so excited to be stateside to visiting our support base, but it is also challenging to be so far away from a new work and to trust Him to guide our leaders and meet their needs. **Do we really trust the Lord to continue the work?** Yes, we do!
He is so faithful because His heart is for the Harvest, the lost and hurting in our world.

Then He said to his disciples, "The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."
Matthew 9:37-38

We prayed for workers because Jesus said, the Harvest is ripe! And we are thankful for the amazing ministry team working at Casa Tabita that **He provided**.
Thank you for partnering with us in prayer and support as we bring His love and message of hope to Guatemala.

Pray for our **Casa Tabita staff**.
Pray for the **Biblical Pastoral Counseling** ministry.
Pray as we continue itinerating and raising the **remaining 20% of our support** needed.

Together working for the Harvest,
David & Marie Turner

"Then they cried to the LORD in their trouble, and he delivered them from their distress. He sent out his word and healed them, and delivered them from their destruction."

Psalm 107:19-20
